Regional law 5/2009

Art. 28

Sanitary assistance for non – European citizens

(...) Region, applying the constitutional precepts of equality and health right, guarantees to everyone who is in the Regional territory, without any distinction of gender, race, language, religion, political opinion, personal or social conditions, ambulatory or hospital urgent care and all the essential care identified by art. 35, co. 3, of the legislative decree n. 286, 25 July 1998. It will not imply any kind of report to the authority, except in cases where it is obligatory by mandatory provision of law and on equal terms with Italian citizens.
